Policy Committee

The Policy Committee reported on its review of a variety of policies. Many of the policies simply required an updating of the language and the information to match current information. The following policies were passed by the Board of Trustees: Policy KG – Community Use of School Facilities and Equipment; Policy IGAB – Racial and Other Discriminatory Incidents; Policy BHAA – Kelsey School Division Logo.

Finance

The Budget process was outlined and the Board reviewed information collected from the public budget consultations. The Preliminary Budget was discussed by the Trustees and further meetings will be held to consider their proposal based on the funding we will be receiving.

Education and Liaison

The Committee has met with the Administration from Kelsey, Mary Duncan, and Opasquia schools. In addition to the schools sharing their assessment information, they also discussed how they are reporting to parents. Each of the schools was given an opportunity to highlight their successes and share some of the challenges they are experiencing.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
