Trustee Attendance

The statistics for Trustee attendance at the assigned committees was reviewed. The Trustees for Kelsey School Division maintain a high attendance ratio, not only for Board Meetings, but also for the various committees they sit on.

Celebrations

The French Immersion teachers submitted a variety of Grant Applications and were fortunate to receive five Grants totaling \$45,000.00 for the enhancement of French Language Instruction within Kelsey School Division. The Grants will focus in on the thirty year celebration, enhancement of the instructional television delivery system, staff training to work in that environment and additional computer resources for French Language Instruction.

Val Berscheid has been selected to attend a one week program in Ottawa in the fall. This program is designed to enhance the teacher's ability to work with government studies in the Social Studies Units they teach.

Finance Committee

The Finance Committee reported that the budget lines are on track for the end of the school year. At this time there are no major issues.
