BOARD MEETING HIGHLIGHTS – September 28, 2009

Board Committees

The board will be reviewing the goals for each committee at their next meeting. A discussion will also be held about reducing the number of committees. Amy Hopper was sworn in as the new trustee for a one year term. She was elected to the position by acclamation. Amy has been placed on several committees and will act as the École Opasquia liaison.

Number of Students

We have seen a small growth in our student population. This growth has not been evenly spread across the grade levels and has led to some crowded conditions. The Board passed a motion to add a staff member to alleviate the situation at the early years. Currently the number of students across the division is up eighty from last year’s September counts.

Finance Committee

The committee met and reviewed the financial statements. The audit has been completed and the report will be presented to the trustees in the near future.

Parent Councils

The school parent councils are beginning to get organized. The Kelsey Community School Parent Council report was shared with the trustees and Trustee Buchanan gave a verbal report on the Mary Duncan School. Parents are encouraged to get involved with their children’s schools and to attend the Parent Advisory Council meetings. For the dates of the meeting for each school please contact the school personnel.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
