The high school Physical Education staff asked the committee to have the Board of Trustees develop a formal policy on piercings in gym classes. The Board of Trustees referred the matter to the Policy Committee for further study.

Policy Committee

Two policies were presented to the Trustees, as well as, information on the ongoing, updating of the policy manual.

Revised Policy JHCC – Communicable Disease Protocol. The policy was changed to address students who are sent home to be treated for head lice. In order for the students to return, the parents must complete several steps and sign a check list for the school.
