Board Elections

Poster and media advertisements are in circulation for the School Trustee elections being held October 27. Nomination papers and information can be picked up at the School Division Office.

An informational web session, on being a trustee, will be held on September 13 at 3:00 p.m. in the Kelsey School Division Board Office at 233 Edwards Avenue.

There are three Wards on electoral areas in our Division – Town of The Pas-5 Trustees to be elected, Carrot Valley-one Trustee to be elected, Ralls Island/Wanless-one Trustee to be elected.

At the School Board Meeting, the Trustees appointed Jeannette Freese as the Chief Electoral Officer for the School Division.

Student Insurance

Kelsey School Division provides universal coverage to all students. The Division pays the premiums for this. This provides coverage for students while at school, while involved in school activities away from the school or while traveling to or from school or a school activity. Information on the Universal Student Accident Insurance Coverage is available on the Kelsey School Division Website or a print copy is available at the Kelsey School Division Office.

Parents may also choose to purchase additional 24 hour, 7 days a week coverage. The Manitoba School Boards Association endorses the Reliable Life Student Accident Insurance. Information on this voluntary additional coverage is available on the Kelsey School Division Website or from the schools.

Claims forms for the voluntary and universal insurance are also available on the Kelsey School Division Website.

Welcome to New Staff

The Trustees will be meeting with new staff on September 10 to extend a personal welcome. We have hired ten new teachers and a new plumber.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
