Kelsey School Connects

The Board of Trustees were given a presentation on the Kelsey Connects project. This is a video/blog connection with Brooklands Community School in Winnipeg and Kelsey Community School.

2011/2012 Budget

The budget proposal is being completed. The general public is invited to meet with the Trustees to discuss the proposed budget on February 9, at 7:00 pm, at the MBCI library.

Committee Reports

The Education and Liaison Committee has set up a series of meetings with the Administration of each school and the student councils at the middle and high school. The Board of Trustees also met with all the Administrators to discuss divisional activities.

The Policy Committee is continuing to review policies and several have been altered slightly to bring them up to date. The following policies had major editorial changes, so were presented to the Board for approval.

- Policy DIA – School Accounts
- Policy DID – Inventories
- Policy DLC – Expense Reimbursements

The Finance Committee reviewed the current budget position and everything is on track. The individual school accounts were reviewed as well.

The Building and Maintenance Committee discussed snow removal and the 2011/2012 capital budget requests. The problem with the heating systems at each school will be monitored. Insurance claims have been made for damages caused by heater breakdowns.

The Negotiations and Personnel Committee reviewed the staffing requests for the next school year. The requests will be part of the public budget meeting on February 9. Lunch hour supervision coverage of playgrounds and lunch rooms continues to be a problem for the early year's schools.

Celebrations

Congratulations to the MBCI Junior Varsity Basketball and Wrestling teams for successful tournaments last weekend.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
