Transportation Committee

The Committee is continuing to monitor the bus and driver situation. Rural routes are being reevaluated. In school bussing has been raised as a concern from an early year's Parent Advisory Council. A community press release about bussing issues will be prepared for distribution.

Student Teachers

Kelsey School Division will be hosting education students for their practical experience throughout the fall term. We are expecting eleven students with the majority coming from University College of The North Faculty of Education.

By-Law No. 3-2011

First reading was given to allow borrowing of \$1,323,500.00 for the initial payment for the MBCI revitalization and building envelope studies at École Opasquia School and Kelsey Community School. The debenture is covered by funding from the province and does not impact the Division's operational budget.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
