### **Transportation**

The Board of Trustees discussed the rural bus routes and possible changes. It was decided that a further study would be done and pickups in the rural area would continue as in past practice. A final plan will be in place early in the new year. The Division is trying to make the rural bus runs more efficient to reduce student ride times.

### **Enrolment**

The initial count of student enrolment indicates we are just over our budget numbers. The official count date for funding is at the end of September.
