### **Presentation**

The Rotary Exchange student Adelise Lefevre, from Belgium, attended the meeting and shared information about her background and her impressions of The Pas. She is here for the current school year and is taking a wide variety of courses to learn about Canada and to improve on her English language skills. Next fall she will be entering University and working toward an Engineering degree.

### **Community Use**

The current policy will be reviewed to ensure we are in compliance with the Province's recommendations about rates and usage. The matter was referred to the Policy Committee.

### **Student Numbers**

Our current student numbers are still within our budget projections. Our total enrollment is 1645.

### **Exchanges**

We received notification that two exchanges have been confirmed. Some of the Grade 6 students will have an opportunity to host a group from Quebec and then travel to Quebec in the spring. The Grade 8 and 9 French Immersion students will also be participating in an exchange with a school in Sherbrook, Quebec. This group will travel to Quebec first and then host that group here in the spring.

Mary Duncan has also been having discussions on an exchange with a school from the Ottawa area.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
