**Kelsey School Division**

**Transportation Changes**

**Effective January 9, 2012**

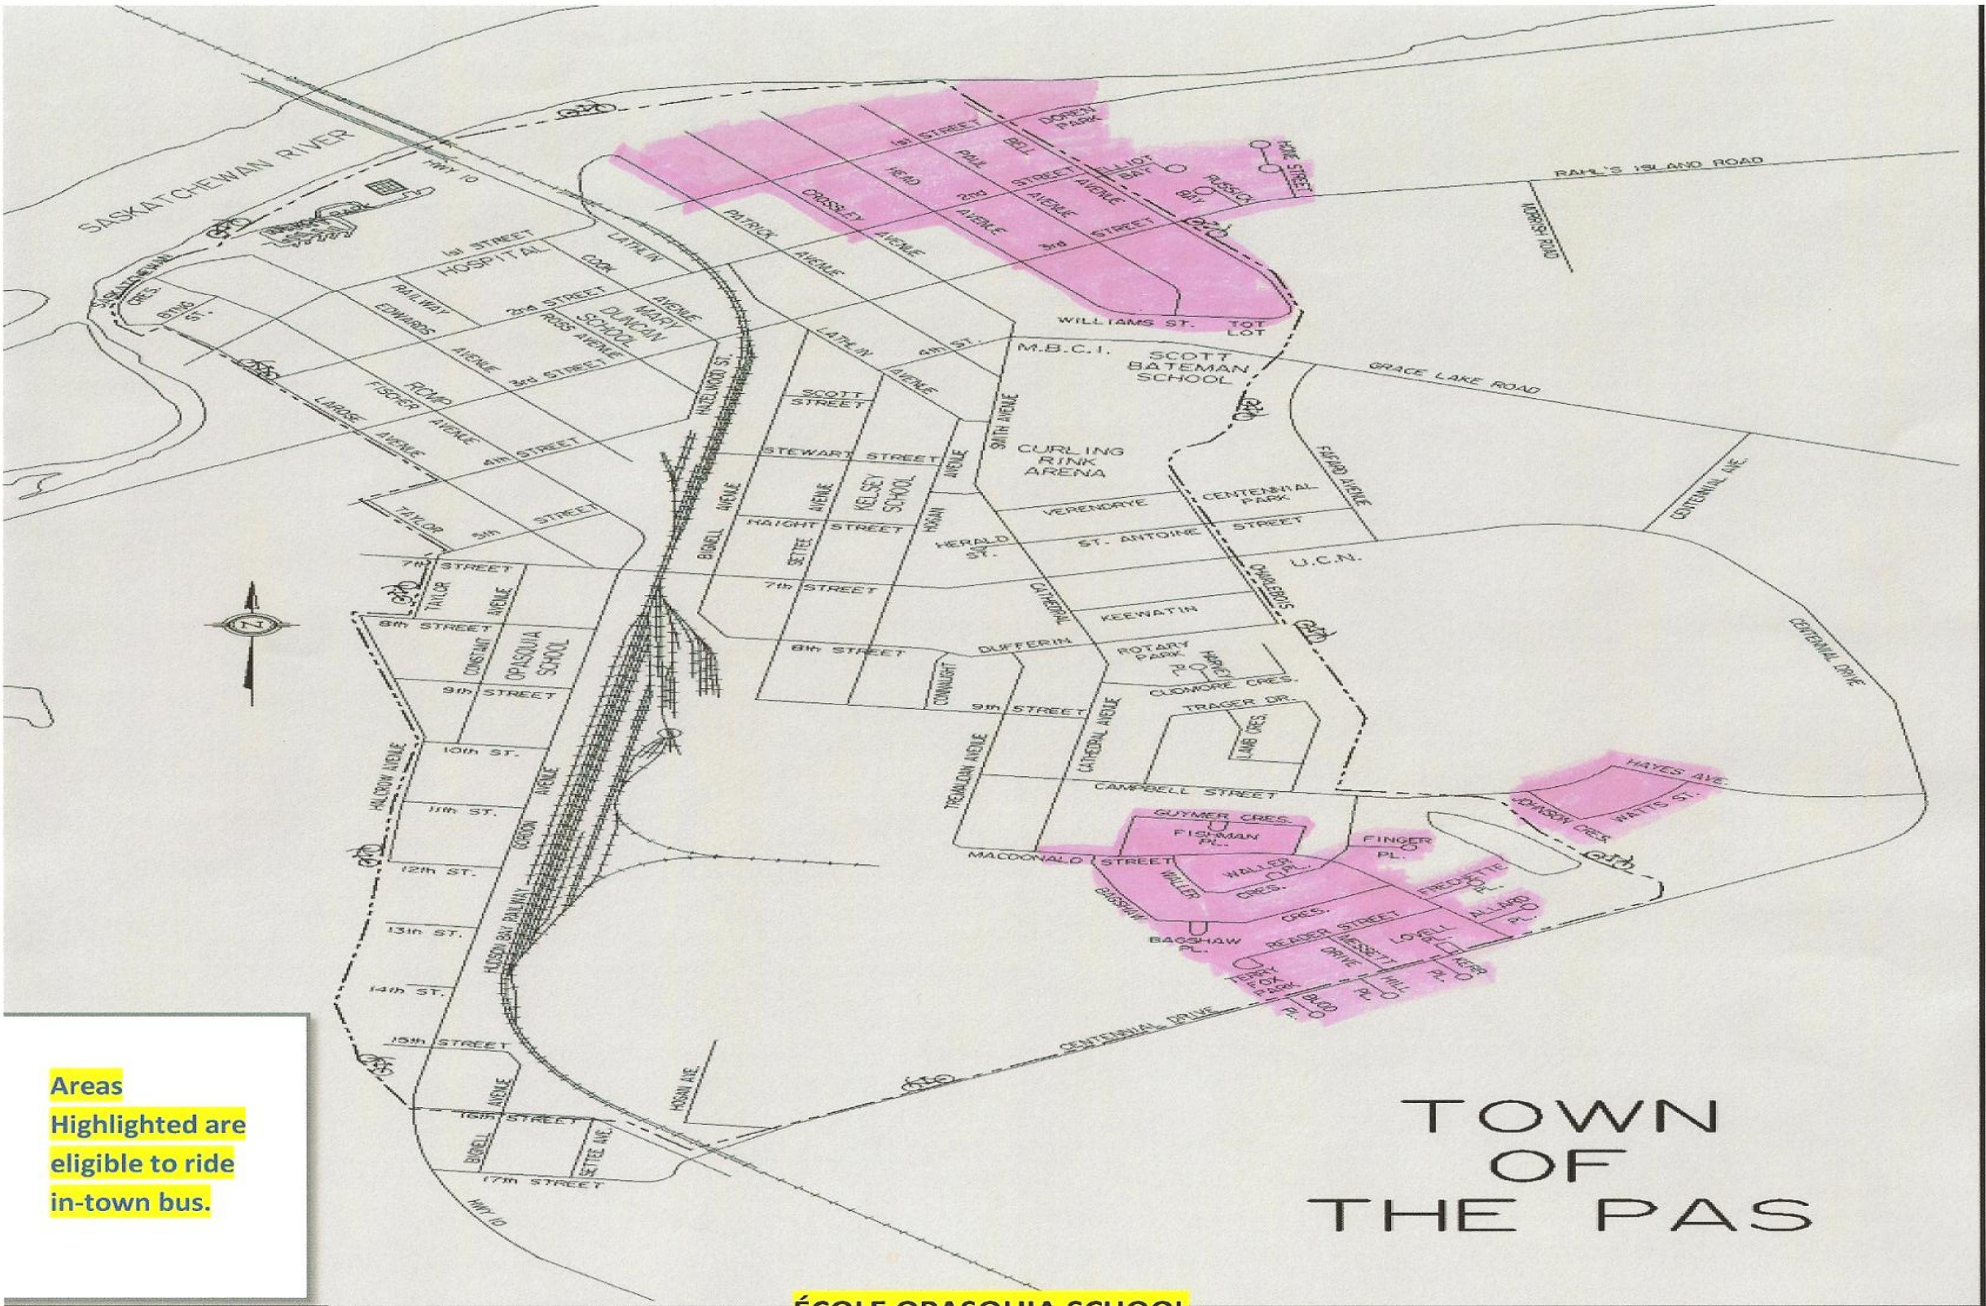

Staffing issues continue with the lack of bus drivers in the  
Transportation Department of the Division.

Effective January 9, 2012, change to in-town busing will be made  
in Kelsey School Division.

The following maps indicate residential areas where students will be eligible to ride.  
All other residential areas will not be eligible for funding; therefore, not eligible for  
in-town transportation service.

Kelsey School Division will be sending letters to parents of all in-town students,  
who are currently using the Kelsey School Division Transportation Service prior  
to December 12, 2011. The Division appreciates the inconvenience to parents, but  
cannot provide this service as this time.

If you have any questions, please Doug Long, Superintendent  
at 623-6421.
