---	--------------------------

## **VOTING METHOD**

1. A question once decided by a school board shall not be reversed unless (1)
  - a) written notice of a proposal to reverse the decision has been given from at least one meeting to another; and
  - b) a majority of the total number of trustees for the division votes in favour of the reversal.
2. Trustees should be required to vote on every question unless excused by the Chair for some particular reason. One reason acceptable to the Chair for abstaining could be a conflict of interest. If a Trustee abstains from voting without permission of the Chair, the abstaining will be considered as a negative vote.
3. If any trustee considers themselves aggrieved by the decision of the Chair, it shall be their privilege to appeal to the Board, and the vote on such appeals shall be taken without debate except that the mover of the appeal may explain their reasons for appealing and the Chair may explain his reasons for the ruling.
4. Any trustee may call for the recording of the votes on any question.
5. Any trustee may request the vote be recorded in the minutes, providing that notice is given prior to the voting.
