---	--------------------------

ADMISSION OF RESIDENT STUDENTS

1. Subject to Provincial Statute all residents of school age shall be eligible to enrol in schools of the School Division.
2. When a student whose home is outside the boundaries of the Kelsey School Division seeks admission to a School Division school such admission must have the approval of the Superintendent and the principal.
3. For purposes of the School Division, "children of school age" means children of ages five to seventeen years inclusive. To qualify as a resident such students must fulfil the requirements as defined in Provincial Statute and must be Canadian citizens or landed immigrants. Placement of a student in a home in the School Division by a government agency confers resident status.
4. To qualify as adult residents, individuals must be Canadian citizens or landed immigrants and must in fact, be residents as defined in Provincial Statute.
