

The Kelsey School Division Board of Trustees adopted the 2011-12 Budget on Monday, March 14, 2011.

For the fourth straight year, the Kelsey School Division will be taking advantage of the Tax Incentive Grant (TIG) and will not increase the special levy amount allocated to the Town of The Pas and the Rural Municipality of Kelsey.

As a result of an increase in provincial grants, the School Division will be able to address some staffing priorities such as a resource/assistant principal at the Mary Duncan School and two additional education assistants.

An additional opportunity resulting from the increase in provincial grants is the ability to address infrastructure situations such as window replacements, carpet removal, lighting fixture replacements and duct cleaning.

The Board of Trustees would like to thank all who assisted by participating in the budget process. Your input was considered and appreciated.
